The Bugle is created in Publisher using full size A4 but is reduced on printing to A5 size. Over 750 copies are printed each fortnight. We print in B&W but your colour image can also be seen on our website: www.kurow.org.nz where the Bugle is published free of charge. We ask for JPEG rather than PDF – this gives a better print image.

Please make any copy a minimum of ARIAL 14 to ensure your text is readable. COPY DUE NOON on the Friday

Send images and copy to: kurowbugle@gmail.com

Please include your email address for accounts (invoices are sent monthly)

If you would like to organise paying in advance please contact The Editor for a discounted rate ☺
